Label attesting conformity with FIS specifications for cut resistant undergarment.

3.5.3.4 Implementation of cut resistant undergarment

The use of cut-resistant undergarment pants is mandatory for all FIS Alpine Skiing events. The mandatory implementation requires a minimum protection level of 3 stars according to the FIS-DITF test standard everywhere between the iliac crest and the onset of the ski boot. The use of cut resistant shirts or full body suits is strongly recommended.
